(2010 - 2014 gadi)

ITC

iTEC inovatyvios ugdymo technologijos ir jų taikymo SCENARIJAI

iTEC kaupia 18 šalių mokytojų patirtį

Designing the future classroom

Welcome to iTEC! The iTEC website provides innovative learning activities, practical tips on how to use ICT to enhance teaching and learning, and training and exchange opportunities to all teachers.

Resources

Learning activities, recommended technologies, information on teacher skills for 21st century and many more.

Community

Discuss, exchange and vote. Participate in the iTEC community of teaching professionals!

School pilots

iTEC learning activities are being piloted in over 1.000 classrooms across Europe.

Discover iTEC Learning Activities and use them for teaching!
